Assignments will be retained in the department office, to be picked up by students, for one semester. Assignments or other materials that are not picked up will be discarded.

GRADING POLICY

A 12-point grading scale is used, in which an A+ = 12 to F = 0.

For certificate candidates, a grade of C- or better in required legal-specialty courses and a passing grade in elective legal-specialty courses must be earned to receive credit for the courses. A student who earns a grade of D+ or below in a required course must repeat the course.

To receive a passing grade in any course, the student must satisfactorily complete all assignments and the final examination. Failure to do either of these will result in a failing grade. An "I" (incomplete) is given when a student is unable to complete certain course requirements for reasons satisfactory to the instructor. If a grade of "I" is not changed within one year, it will become permanent, and the student will be required to repeat the course in order to receive credit. Students may appeal a final course grade under the department's Grade Appeal Procedure. The appeal must be submitted within 10 days of the date the final grade was posted.

GRADUATION

Certificates are conferred annually, in August, to students who have completed all requirements.
