**Enrollment for 3Ls opens at 7:00 am on Monday, November 16th.**
**Enrollment for 2Ls opens at 7:00 am on Tuesday, November 17th.**
**Becky will enroll 1Ls at the end of that week.**

**Enroll on ONE (https://one.ou.edu/), directly from the Academic tab on your page, after logging in.**
****Check for any enrollment holds on your account and that ONE has your enrollment date correctly listed BEFORE Nov 12-13, as there is no one on main campus at 7:00 am to handle any issues the day of!!**

****If you are planning to take or get on the waitlist for more than one course with the same 4-digit course number (i.e. 1 or more 6100 or 1 or more 6700, both sections of 5303, etc.), this will require permission on ONE. Email Becky (rlucas@ou.edu) the titles or section numbers of the courses you want to take, and your student ID#, for an override. It's easier to do this BEFORE enrollment, so as not to lose your chance to enroll in a timely manner on the day of!!**

****The Registrar's Office has completed a personalized Graduation Checklist for all 3Ls, to ensure you enroll in spring classes that meet your graduation requirements. Stop by the Registrar's Office (3070D) to pick up a hard copy OR email Becky (rlucas@ou.edu) for an e-copy. Contact Becky with any questions about your checklist.**

**With the late addition of Disability Law, we had to pick a day for the final exam that was already taken by another exam. If you would like to take both *Disability Law* AND *Bankruptcy*, exam accommodations will be made in the spring to take the exams on separate days. Please let Becky (rlucas@ou.edu) know that you enrolled in both classes so arrangements can be made.**

**Professor Brandes had to move Trial Techniques §4 to Tuesdays due to his court docket. Occasionally, he may need to cancel class as well. If that happens, the make up classes will be scheduled on Fridays from 3:00-5:50 pm. Before enrolling in his section, please ensure your Friday afternoons are open for possible make up classes.**

****If you would like an advising appointment, please email your Faculty Advisor to discuss course selection, course content, or the like. See Becky for general enrollment, scheduling, or any grad requirement questions (https://calendly.com/beckylucas). Email Professor Rowland (srowland@ou.edu) to discuss any bar-related questions.**

- If participating in a **law review or competition**, please enroll yourself if taking it for credit.
- All classes should have a waitlist on ONE, so add yourself to it if the class you want to take is full.
- **Course Descriptions** and **prerequisites** can be found on Courtyard.
- ***Corporations*** **CANNOT** be taken by a student who has taken or is planning to take ***Business Associations***, and vice versa. Only one of these courses will be counted per student.
- You will need a prerequisite override to enroll in ***Mergers & Acquisitions*** if you have not yet taken **Corporations.** Professor Cleveland said it is fine to take M&A without or at the same time as Corporations, but the system still has it listed as a prerequisite. Please email Becky (rlucas@ou.edu) beforehand, so you don't miss out enrolling in this course.
- ***Bar Exam Preparation*** and ***Practical Lawyering & MPTs*** are **for 3Ls only.**
- **Synchronous classes (room assignment says SYNC) will meet online but still on the days and times listed on the schedule.**
