

Enrollment for 3Ls opens at 7:00 am on Thursday, November 9th.

Enrollment for 2Ls opens at 7:00 am on Friday, November 10th.

Becky will enroll 1Ls sometime in the two weeks between the enrollment period above and final exams.

Enroll on ONE (<https://one.ou.edu/>), directly from the Academic tab on your page, after logging in.

****To enroll in more than one course with the same 4-digit course number (i.e., 2 or more 6100 courses), requires permission on ONE. Email Becky (rlucas@ou.edu) the titles or section numbers of the courses you want to take, for overrides. Easier to do this BEFORE enrollment, to not to lose your chance to enroll in a timely manner on the day of!!**

****Check for any enrollment holds on your account and that ONE has your enrollment date correctly listed BEFORE Nov 17-18, as there is no one on main campus at 7:00 am to handle any issues the day of!!**

****Becky & Stephanie have completed a Graduation Checklist for all 3Ls, to ensure you enroll in spring classes that meet your graduation requirements. Stop by the Office of Student Engagement to pick up a hard copy OR email Becky (rlucas@ou.edu) for an e-copy. Contact Becky with any questions about your checklist.**

****If you would like an advising appointment, then book one w/Becky for most enrollment & course questions (<https://calendly.com/beckylucas>), or to discuss bar-tested courses specifically, email srowland@ou.edu.**

- If participating on a **law review or competition**, please enroll yourself if taking it for credit.
- All classes should have a waitlist on ONE, so add yourself to it if the class you want is full.
- **Course Descriptions** and **prerequisites** can be found on Courtyard.
- You will need an override for *Advanced Legal Research*, as ONE does not recognize *Brief Writing* and *Oral Advocacy* as satisfying the prerequisite. Email Becky (rlucas@ou.edu) beforehand, so you don't miss out enrolling in this course.
- **Corporations CANNOT** be taken by a student who has taken or is planning to take **Business Associations**, and vice versa. Only one of these courses will be counted per student.
- The system will not recognize **Business Associations** as satisfying the prerequisite for **Mergers & Acquisitions**, so email Becky for an override.
- **Practical Lawyering & MPTs** is for 3Ls only.
- Although the system will not block you from enrolling, please note that Partnership Tax requires concurrent or previous enrollment in Individual Income Tax. I will have to drop anyone that does not meet those parameters.

New classes to note:

Public Health Law: The Public Health Law course adopts an interdisciplinary perspective to leverage legal tools to enhance public health. It recognizes public health law as a collaborative process involving advocates, attorneys, scientists, public health practitioners, and other stakeholders working together to develop, promote, implement, and assess evidence-based legal reforms and interventions that aim to prevent diseases and reduce injuries. This approach underscores the importance of interdisciplinary collaborations at every stage of the legal change process, from policy research to the evaluation of the effectiveness of legal interventions. Furthermore, the course embraces a Health Justice framework, highlighting the role of attorneys and policymakers in supporting marginalized communities to address inequities through law and policy.

Negotiations: Negotiation is the most commonly used form of legal dispute resolution in the United States and around the world. This course is designed to introduce students to the basics of negotiation through reading, discussion, and simulation exercises. The course focuses on negotiation skills, negotiation theory, lawyer (agent)/client (principal) dynamics, negotiating in teams, negotiation ethics, and multi-party negotiation issues. ****Negotiations CANNOT be taken by a student who has taken or is planning to take Interviewing,**

Counseling, & Negotiation, and vice versa. **
